Let's build a rocketship!

Materials:

- Toilet paper roll
- Construction paper (multiple colors)
- Scissors
- Glue
- Markers (optional)

Instructions:

1. Create the rocket body:
 - Wrap the toilet paper roll with construction paper of your choice. Secure with glue.
2. Make the rocket nose cone:
 - Cut a triangle from construction paper. Roll it into a cone shape and secure with glue.
 - Attach the cone to the top of the toilet paper roll.
3. Add the rocket fins:
 - Cut three triangles from construction paper. These will be the fins.
 - Glue the fins to the bottom of the toilet paper roll, evenly spaced.
4. Decorate your rocket:
 - Use markers or more construction paper to add details like windows, flames, or other designs.
